

Hublot partners BOL D'OR MIRABAUD

It is the world's premier inland lake regatta. It is also a huge nautical festival, bringing together almost 600 yachts on the waters of Lake Geneva.

Amateurs and professionals, including champions from all over Europe, meet on the starting line in Geneva harbour.

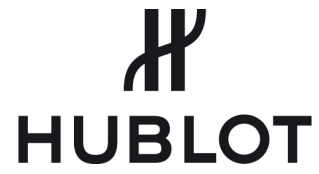

Over 3000 sailors, thousands of spectators lining the banks, a truly stunning start, an exemplary Organisation Committee and a hundred volunteers, this is the competition that has it all, from the most cutting-edge innovations in nautical research to an open, friendly atmosphere.

And to celebrate this great, highly promising 75th anniversary event, Hublot is honoured and privileged to have been chosen as the official timekeeper for the regatta.

The event kicks off in front of the Société Nautique de Genève yacht club on Saturday, 15th June at 10am.

The yachts head towards Le Bouveret at the end of the lake to tack around the "Hublot Barge" - the only brand on the course - at the halfway point, decked out for the occasion with a giant clock to show the teams their mid-race time.

Of course, Hublot will also be present at the Société Nautique de Genève with display cases and a boutique, and its entire team led by Jean-Claude Biver, Chairman and Ricardo Guadalupe, CEO of the company.

Everyone is delighted to be able to support
and be a part of this fantastic event !
