GENEVA FAIR 2013

On January 21st, Hublot will officially launch its International Watch Exhibition. From the Kempiski Hotel in Geneva, in front of the famous "Jet d'eau" of the Lemman Lake, Hublot will present in exclusivity some novelties from the 2013 collection.

The countdown begins ... Stay tuned to discover new, beautiful and astonishing Classic Fusion models and Big Bang timepieces.

In addition, we propose for those who don't have the chance to come in Geneva, an exclusive Live Presentation from Hublot's CEO Ricardo Guadalupe himself. This Live will be hosted on _____ on Monday, January 21st at 6pm (GMT+1).
